The System

Private / NHS Paperwork

If you have a requirement for the surgery to complete private / non NHS paperwork then the below process will apply. Please note that NHS work will be prioritised over private/ Non NHS paperwork. Therefore, please allow 10 working days for us to complete your request.

- £10 non- refundable deposit.
This is an administration charge for processing your paperwork.
(We will refund the £10 if the surgery decides that we cannot complete your request)
- You will be contacted by a member of the administration team who will advise you of the full charge. You can then decide whether you would like to proceed further.
- Once we have received your permission. We will then process your paperwork to the relevant clinician. (Start of the 10 working days)
- We aim to complete your request within 10 working days.
- We will contact you to advise that your completed paperwork is ready to collect from reception.
- Full payment will be required on collection. (Minus the £10 deposit)
